

WALK WITH THE WALKERS PROGRAMME

September 2017 to February 2018

Do join us – whether regularly, or occasionally – you'll be made very welcome. We meet at the church and car-share where necessary, so you don't need to have transport. Please dress sensibly with boots or strong shoes and waterproof clothing. Bring a packed lunch and a drink.

We have a fortnightly programme, with a cycle of walks varying from 'easy' through 'moderate', to 'harder'. Easy walks are generally quite short, but may still involve some ascent. Easy and moderate walks are usually suitable for families with school age children – if in doubt, please contact the walk leader. The Peak Pilgrimage Walks are part of a long distance walk in Derbyshire visiting several churches.

In case of changes, check on-line at www.mottramparish.org.uk: Click on **Join In ... What's On**, to view the church calendar, or click on **Get in touch ... Mailing List** to receive regular updates.

Our charitable donations of £1 per person per walk, in 2017 will go to Christian Relief Uganda.
